

Chemurgic's Next Gen

No NPES SPREADER

Biodegradable Non-Ionic Surfactant

15258-032117

Principal Functioning Agent:

| | |
|--|--------|
| Alkyl polyoxyethylene ether, dimethylpolysiloxane | 80.5% |
| CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANTS | 19.5% |
| TOTAL | 100.0% |

Ingredients exempt from tolerance under 40 CFR 180.

CA Reg. No. 1212-50012-AA

KEEP OUT OF REACH OF CHILDREN

WARNING

Hazard Statements
Causes skin and eye irritation.
Harmful if swallowed.

See Below for Additional Precautionary Statements and Complete Directions for Use.

Read Entire Label Before Using This Product
SHAKE WELL BEFORE USING

FIRST AID

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.
- Wash with plenty of soap and water for 15 to 20 minutes.
- If skin irritation occurs, get medical advice/attention.
- Call a poison control center or doctor if you feel unwell.

IF IN EYES:

- Rinse cautiously with water for several minutes.
- Remove contact lenses, if present and easy to do. Continue rinsing.
- If eye irritation persists, get medical advice/attention.

IF SWALLOWED:

- Rinse mouth.
- Call a poison control center or doctor if you feel unwell.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious or convulsing person.

IF INHALED:

- Remove person to fresh air and keep comfortable for breathing.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.
- Call a poison control center or doctor if you feel unwell.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, smoking tobacco or using the toilet. Do not eat, drink or smoke when using this product. Take off contaminated clothing and wash it before reuse.

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Wear protective gloves, long-sleeved shirt and long pants, shoes plus socks when mixing or applying this product.

ENVIRONMENTAL HAZARDS Do not contaminate water sources by cleaning of equipment or disposal of wash water.

USE INFORMATION *Chemurgic's Next Gen*

Spreader, an alcohol ethoxylate formulation, is a general purpose non-ionic surfactant (NIS) of the alkyl polyethoxyethanol type surface active agents. This product does not contain Nonylphenol Ethoxylates (NPES). Also an anti-foam has been added to handle the high foaming associated with some product combinations. It can be used with most insecticides, fungicides, herbicides, acaricides, defoliants, desiccants and wettable powders to improve performance of the active spray ingredient by giving them more uniform distribution and better wetting of the plant surface.

MIXING INSTRUCTIONS: For wettable powders and water-soluble materials, add this product in water before adding pesticide to spray tank. For emulsifiable products, add this product after a good emulsion is formed.

DIRECTIONS FOR USE Always read and follow the label of the pesticide(s) and additive(s) to be used with this product. Always refer to the pesticide and additive label(s) for additional use directions, precautions or restrictions. Follow the most restrictive label.

| Applications | This Product per 100 Gallons of Mix |
|------------------|-------------------------------------|
| Insecticides | 0.5 pt. |
| Fungicides | 0.5 pt. |
| Herbicides | 0.5 pt. |
| Acaricides | 0.5 pt. |
| Defoliants | 0.5 pt. |
| Desiccants | 0.5 pt. |
| Wettable powders | 0.5 pt. |

Variations in conditions of use can cause some variation in the amount of this product required. The minimum required to give a smooth, uniform coverage usually gives the most effective results. Not for aquatic use.

STORAGE AND DISPOSAL Do not contaminate water, food or feed by storage or disposal.

PRODUCT STORAGE: Keep container closed in storage. Store only in original container.

PRODUCT DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrcycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

CONDITIONS OF SALE AND WARRANTY

Chemurgic Agricultural Chemicals, Inc. warrants that this product conforms to the chemical description on the label and is reasonably suited for the purposes stated when used as recommended under normal conditions.

Unintended consequences such as crop damage or poor performance may result from factors including, but not limited to, method of application, timing, crop and soil condition, weather, and other materials present, all of which are beyond the control of *Chemurgic Agricultural Chemicals, Inc.* and Seller.

Chemurgic Agricultural Chemicals, Inc. neither makes, nor authorizes any agent or representative to make any other warranties, expressed or implied, including fitness or merchantability.

Buyer and user acknowledge and assume all risks and liability resulting from the handling, storage and use of this material.

In no case shall *Chemurgic Agricultural Chemicals, Inc.* or the Seller be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product.

The foregoing is a condition of sale by *Chemurgic Agricultural Chemicals, Inc.* and the Seller, and is accepted as such by the Buyer.
