

# Chemurgic's 20% Ferrous Sulfate

## Nutritional Supplement for Plants/Crops

### GUARANTEED ANALYSIS

Sulfur (S) ..... 11.0%  
Iron (Fe)..... 20.0%  
Derived from ferrous sulfate heptahydrate.

### KEEP OUT OF REACH OF CHILDREN WARNING

**HAZARD STATEMENTS:** Harmful if swallowed. Causes skin irritation. Causes serious eye irritation.

### PRECAUTIONARY STATEMENTS:

Wash hands thoroughly after handling. Do not eat, drink or smoke after handling this product. Wear protective gloves, eye protection, and protective clothing. Remove contaminated clothing and wash before reuse.

### Per USDA National Organic Program:

*Chemurgic's 20% Ferrous Sulfate* must not be used as an herbicide, defoliant or desiccant. Micronutrient deficiency must be documented by soil or tissue testing or other documented and verifiable method as approved by a certifying agent.

### DIRECTIONS FOR USE

*Chemurgic's 20% Ferrous Sulfate* is intended as a nutritional plant supplement for a wide variety of crops. For the agronomic application rates suitable for your geographical area or the maximum allowable non-nutrient application rates per acre, consult a trained soil specialist.

*This product may stain porous surfaces such as concrete woods and metals.*

**Mixing:** Fill mixing tank half full of water, then add *Chemurgic's 20% Ferrous Sulfate*, agitating while adding remaining water and additional fertilizers. 16 oz. of a non-ionic wetting agent/100 gal. of finished spray will aid penetration of waxy leafed plants. Spray solution as soon as possible after mixing.

### Compatibility:

This product is compatible with most fertilizers and pesticides except calcium and phosphate fertilizers. When mixing this product with a herbicide for the first time, a jar test is recommended. Maintain adequate agitation when mixing with amine based herbicides.

**WARNING:** This product contains a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.html>

### FIRST AID

**If swallowed:** Rinse mouth. If you feel unwell, call a doctor or poison control center.

**If on skin:** Wash with plenty of soap and water. If skin irritation occurs, call a doctor.

**If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do, then continue rinsing.

### STORAGE AND DISPOSAL

Store in original container in a cool, dry area, out of reach of children and animals. Store away from incompatible materials. Do not contaminate water, food, or feed by storage or disposal. Dispose of in accordance with Federal, State and local regulations.

### CONDITIONS OF SALE AND WARRANTY

*Chemurgic Agricultural Chemicals, Inc.* warrants that this product conforms to the chemical description on the label and is reasonably suited for the purposes stated when used as recommended under normal conditions.

Unintended consequences such as crop damage or poor performance may result from factors including, but not limited to, method of application, timing, crop and soil condition, weather, and other materials present, all of which are beyond the control of *Chemurgic Agricultural Chemicals, Inc.* and Seller.

*Chemurgic Agricultural Chemicals, Inc.* neither makes, nor authorizes any agent or representative to make any other warranties, expressed or implied, including fitness or merchantability.

Buyer and user acknowledge and assume all risks and liability resulting from the handling, storage and use of this material.

In no case shall *Chemurgic Agricultural Chemicals, Inc.* or the Seller be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product.

The foregoing is a condition of sale by *Chemurgic Agricultural Chemicals, Inc.* and is accepted as such by the Buyer.
